### **ENGAGEMENT LETTER**

The purpose of this letter is to set out the basis on which we act as auditors of the company and the respective areas of responsibility of the company and of ourselves.

#### *Audit*

- 1.1 As directors of the above company, you are responsible for maintaining proper books of account and preparing financial statements which give a true and fair view of the profit or loss and state of affairs of the company and comply with the Companies Ordinance. You are also responsible for making available to us, as and when required, all the company's books of account and all other records and related information, including minutes of all management and shareholders' meetings.
- 1.2 We have a statutory responsibility to report to the members whether in our opinion the financial statements give a true and fair view of the state of the company's affairs and of the profit or loss for the year and whether they comply with the Companies Ordinance (or other relevant legislation). In arriving at our opinion, we are required to consider the following matters, and to report on any in respect of which we are not satisfied :
  - (a) whether proper books of account have been kept by the company ;
  - (b) whether the company's balance sheet and profit and loss account are in agreement with the books of account; and
  - (c) whether we have obtained all the information and explanations which we think necessary for the purpose of our audit.

In addition, there are certain other matters which, according to the circumstances, may need to be dealt with in our report. For example, where the financial statements do not give full details of directors' remuneration or of loans to officers, the Companies Ordinance requires us to disclose such matters in our report.

- 1.3 We have a professional responsibility to report if the financial statements do not comply in any material respect with Hong Kong Accounting Standards, unless in our opinion the non-compliance is justified in the circumstances.

- 1.4 Our audit will be conducted in accordance with the Auditing Standards issued by the Hong Kong Institute of Certified Public Accountants and will have regard to relevant Auditing Guidelines. Furthermore, it will be conducted in such manner as we consider necessary to fulfill our responsibilities and will include such tests of transactions and of the existence, ownership and valuation of assets and liabilities as we consider necessary. We shall obtain an understanding of the accounting system in order to assess its adequacy as a basis for the preparation of the financial statements and to establish whether proper books of account have been maintained. We shall expect to obtain such relevant and reliable evidence as we consider sufficient to enable us to draw reasonable conclusions therefrom. The nature and extent of our tests will vary according to our assessment of the company's accounting system and, where we wish to place reliance on it, the system of internal control and may cover any aspect of the business operations. We shall report to you any significant weaknesses in, or observations on, the company's systems which come to our notice and which we think should be brought to your attention.
- 1.5 As part of our normal audit procedures, we will request you to provide written representations on matters having a material effect on the financial statements.
- 1.6 In order to assist us with the examination of your financial statements, we shall request sight of all documents or statements, including the chairman's statement and the directors' report, which are due to be issued with the financial statements. We are also entitled to attend all General Meetings of the company and to receive notice of all such meetings.
- 1.7 We appreciate that the present size of your business renders it uneconomic to create a system of internal control based on the segregation of duties for different functions within each area of the business. In the running of your company we understand that the directors are closely involved with the control of the company's transactions. In planning and performing our audit work we shall take account of this supervision. Further, we may ask additionally for confirmation in writing that all the transactions undertaken by the company have been properly reflected and recorded in the books of account, and our audit report on your company's financial statements may refer to this confirmation.
- 1.8 The responsibility for the prevention and detection of irregularities and fraud rests with yourselves. However, we shall endeavor to plan our audit so that we have a reasonable expectation of detecting material misstatements in the financial statements or books of account resulting from irregularities or fraud, but our examination should not be relied upon disclose irregularities or fraud which may exist.
- 1.9 We shall not be treated as having notice, for the purposes of our audit responsibilities, of information provided to members of our firm other than those engaged on the audit (e.g. information provided in connection with accounting, taxation and other services).

*Accounting and other services*

- 2.1 It was agreed that we should carry out the following services as your agents and on the basis that you will make full disclosure to us of all relevant information.
- 2.2 We shall:

Unless otherwise agreed, our fees will be charged separately for each of the main classes of work described above, will be billed at appropriate intervals during the course of the year and will be due on presentation.
- 3.2 You, as chairman of the Board, should guarantee for our fees payments. Should the company become insolvent and fail to pay our fees, you will be personally responsible to pay for our fees and charges.

*Agreement of Terms*

- 4.1 Once it has been agreed, this letter will remain effective, from one audit appointment to another, until it is replaced. We shall be grateful if you could confirm in writing your agreement to the terms of this letter by signing and returning the attached copy, or let us know if they are not in accordance with your understanding of our terms of appointment.
